

Big Savings and Family Fun!

165+ Hands-on Exhibits

Create your own experiments, test your own prototypes, or build your own inventions. With endless interactive exploration for children, teens, and adults, your biggest challenge will be where to begin the adventure!

Vacation Exploration Camps

Vacation Exploration Camps are the perfect solution for working parents during school vacation breaks. Campers in grades 1-6 participate in fun and engaging hands-on science activities.

NEW! Butterfly Encounter

Colorful butterflies at the most glorious stage of their fascinating lifecycle set in a tropical greenhouse – a new destination within the Connecticut Science Center.

Meeting and Function Space

The Connecticut Science Center is a unique location providing an unparalleled experience for business meetings, corporate showcases, holiday parties, and other private events.

CORPORATE MEMBERSHIP

Since opening in 2009, thousands of families have enjoyed savings thanks to their employers' Corporate Membership benefits at the Connecticut Science Center. From FREE or discounted admission, to family Membership and Vacation Camp discounts, to invitations to one-of-a-kind networking events, these enriching and money-saving benefits will have your valued employees saying, "Thank you!"

We help you maximize your corporate benefits by giving you a customized e-flyer and regular reporting on benefits usage. We also provide you with General Admission tickets and Family Membership vouchers to use as incentives, prizes, client gifts, or other unique ways to show appreciation throughout your business.

Join today and align your company with Connecticut's foremost informal STEM learning destination, serving you, your employees, and the future workforce of our region.

Not only will your employees save, but your Corporate Membership will demonstrate your commitment to STEM (science, technology, engineering and math) education and provide operating funds critical to sustaining the Connecticut Science Center's vital programs and exhibits.
