Current Traveling Exhibition

Dinosaurs Around the World: Passport to Pangea
Now Open through September 6

BLOCKBUSTER TRAVELING EXHIBITION

Dinosaurs Around the World takes you back in time on a dinosaur adventure and tour of an Earth very different from today- a time before the continents as we know them existed when lush landscapes covered Africa and greenery was the norm in Antarctica! With advanced animatronics, a multi-layered narrative, fossils, authentic casts, cutting edge research, and immersive design elements, you'll experience the Age of Reptiles as it roars to life! This massive exhibition will transport visitors to the unrecognizable landscapes of Pangea, featuring a dozen life-sized dinosaurs, including the mighty T. rex of North America, the swift Velociraptor of the Gobi Desert, the massive herbivore Amargasaurus from the tropical jungles of South America, and more!

Dinosaurs Around the World is included with the price of General Admission.

CT SUMMER AT THE MUSEUM

It's time to explore! From July 1 to September 6, Connecticut children age 18 and under plus one accompanying adult can visit participating museums free of charge through the Connecticut Summer at the Museum Program. The program is part of Governor Lamont's larger plan to use recovery funds to provide students and families with engaging summer enrichment and learning experiences in the wake of the COVID-19 pandemic.

"We believe the best way to get children re-engaged and energized is through hands-on activities that not only expand their minds and imaginations, but also inspire and empower them to embrace their role in their communities and the world. The Connecticut Summer at the Museum program allows us to reach even more Connecticut youth at a time when it's needed most. We're thrilled to be partnering with the State of Connecticut on this exciting initiative." – Matt Fleury, Connecticut Science Center President & CEO

LOVE SCIENCE GIFT SHOP

Open Now through Labor Day

Hours of Operation: 11AM- 30 minutes after the Science Center closes

We are so excited to bring you the Love Science Gift Shop. Our on-site gift shop is opening its doors for the summer, filled with tons of fun toys, treats and novelties for you to bring home. Make your fun-filled visit even more memorable by bringing a piece of the Science Center home with you. Our Love Science Gift Shop will be open during regular Science Center business hours through Labor Day. Our online Love Science Gift Shop is only for Connecticut Science Center branded merchandise, and orders will be shipped directly to customer's homes.

Visit CTScienceCenter.org/GiftShop for all the details.

EVENTS & PROGRAMS

Monster Kidz Box Workshops with Tyler Green FX

Spooky Bats Workshop

Saturday, July 17, 10AM-12:30PM OR 1-3:30PM

For this edition of STEM in a Box, visit us at the Connecticut Science Center to work with Special FX expert Tyler Green of SyFy's Face Off to conceptualize, paint and finish creepy mask designs. Young artists will experience what it's like to be a creature designer in the Special FX makeup industry and learn the ins and outs of local manufacturing. This workshop is recommended for students 8-12.

Non- Member: \$65

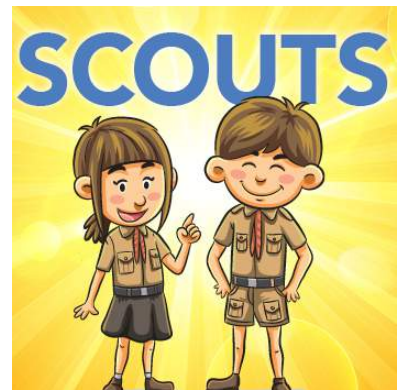

Corporate Rewards Employee: \$60

Member: \$55

July & October Bundle: \$100

More information & registration can be found on our website:

Scout Appreciation Day: Space Day

Saturday, August 7 11AM-3PM

Calling all Scouts! The next Scout Appreciation Day is taking a trip out of this world with hands-on activities, LIVE Science demonstrations and intergalactic exploration. All scouts also have the chance to navigate a scouts-only scavenger hunt to earn an out-of-this-world Science Center patch, created just for this day of scouting fun!

Scouts and their families are invited to visit the Connecticut Science Center for FREE on Scout Appreciation Day: Space Day.

Girl Scout Day: Space Day

Saturday, August 7 11AM-3PM

Calling all Girl Scouts! The next Girl Scout Day is taking a trip out of this world with hands-on activities, LIVE Science demonstrations and intergalactic exploration. All scouts also have the chance to navigate a scouts-only scavenger hunt to earn an out-of-this-world Science Center patch, created just for this day of scouting fun!

Girl Scouts and their families are invited to visit the Connecticut Science Center for FREE on Girl Scout Day: Space Day.

Sensory Friendly Day

Monday, July 26, 10AM-5PM

Monday, August 16, 10AM-5PM

We want everyone to be able to enjoy the Science Center. That's why we are lowering the volume and dimming the lights for our friends with sensory disabilities. All who will benefit from a quieter environment are invited as our special guests for the day! Travel back in time on a dinosaur adventure with our new traveling exhibit, Dinosaurs Around the World. Experience the Age of Reptiles as it roars to life featuring a dozen life-size animatronic dinosaurs. All visitors will get the fun of the Connecticut Science Center and LIVE Science Demonstrations without the usual loud sounds and bright lights.

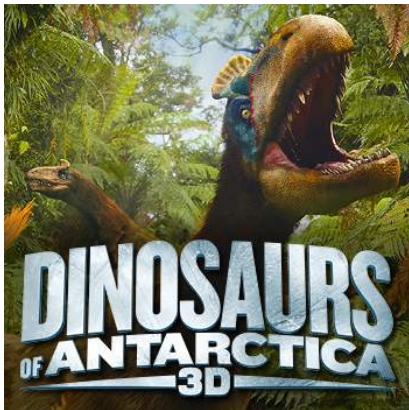

NASA Space Day

August 7, 11AM-2PM

Join in the fun and take a trip out of this world with hands-on activities, LIVE Science demonstrations and intergalactic exploration.

Sponsored by: Connecticut Space Grant Consortium
